

HFMA Summer Conference 2019

Connected thinking
for the future

4–5 July 2019

Ashton Gate Stadium, Bristol

Integration

Prevention

Technology

HFMA's Summer Conference will return for its 15th year in July 2019; With system working at the forefront of attendee's mind, this year's summer conference will have a strong focus on integration, prevention and technology and will provide delegates a unique opportunity to come together to share ideas, concerns and innovation from across the NHS.

Those that attend the conference will engage in lively debates and discussions whilst having extensive opportunities to gain a greater understanding into key issues with peers.

Speakers at this event will include key policy makers, politicians, clinicians, professional and technical experts. This flagship event is attended by senior finance professionals from the HFMA Provider, Mental Health and Commissioning networks as well as non-executives and senior stakeholders from arms-lengths bodies.
