HFMA summer conference

As the NHS begins to recover from one of its most challenging years to date, we invite you to join us at our first virtual HFMA summer conference. This event will highlight areas of good practice from across the UK as we prepare to emerge from the pandemic, and will examine our continued transition to system wide working which presents enormous opportunities and challenges for health and social care leaders as we work towards a unified system that is patient, not organisation focused.

The conference will bring together all of the HFMA Hub Networks including providers, commissioners, mental health and community organisations as well as those working at a system level. The programme will be a mixture of national strategic updates from Arm's Length Bodies alongside various workshop channels covering topics such as workforce, technology, resilience, sustainability, value based healthcare and integrated health and social care.

Whats included?

By booking on to the conference you organisation will gain access to our online event platform, and will be able to request as many licenses as your team require to access the event. Over the course of the three day event will deliver a full programme of keynote speakers and workshops, as well as opportunities to network with colleagues and connect with our commercial partners in the virtual exhibition hall.

Are there discounts available?

HFMA hub partner organisations will receive a 20% discount regardless of when the booking is made.

How to book

To book your organisation please send the completed booking form to:

Josie.Baskerville@hfma.org.uk

In the lead up to the event our team will share a unique login with all virtual delegates, giving them access to the entire programme through our virtual event platform.

Ticket prices

Set across three days, this virtual conference will offer something for the entire finance team, across all NHS sectors. Licenses are available to be purchased for your organisation to allow your whole team to access the content and build on their CPD. Every licence that is purchased by an organisation supports the HFMA's work in bringing the healthcare finance community high quality events and CPD opportunities, as part of our ongoing mission under extraordinary circumstances.

Terms and conditions

Cancellations

If you are unable to attend the event, please notify us in writing as soon as possible. Where a written cancellation is received by 16 June 2021, a full refund is offered. After this date the full conference fee will apply. Substitutions can be made at any stage. All other ticket rates are fully refundable up until 16 June 2021, after which no refunds will be accepted.

Changes to the programme

HFMA reserves the right to alter timings, sessions, speakers and venue where necessary. If this event cannot run on the published date due to reasons beyond our reasonable control, eg terrorism, threat of terrorism, access problems caused by adverse weather or any other Act of God, HFMA reserves the right to retain the conference fee and re-schedule the event. If this has not been run within 6 months of this date all monies will be refunded minus a small administration fee.

The event will be run according to the latest government guidance, ensuring that both delegates and staff are provided with the safest possible experience. In the event that the physical conference cannot be run due to Covid-19 restrictions we will offer all bookings immediate transfer to a full online programme and credit/refund on the portion of the booking relating to the physical conference ticket.

Fair usage

One face-to-face ticket is included in the package for the London conference. Additional tickets can be purchased but are subject to fair user limits to ensure all bookers have a fair opportunity to send their delegate(s) to the London venue.

For online places, the package includes online access for your finance team. Upon booking our team will discuss with you how many places you require for your organisation in-line with fair usage.

About the HFMA

The Healthcare Financial Management Association (HFMA) is the professional body for finance staff working in healthcare. For 70 years it has provided independent support and guidance to its members and the wider healthcare community.

It is a charitable organisation that promotes the highest professional standards and innovation in financial management and governance across the UK health economy through its local and national networks. The association analyses and responds to national policy and aims to exert influence in shaping the healthcare agenda. It also works with other organisations with shared aims in order to promote financial management and governance approaches that really are 'fit for purpose' and effective.

The HFMA is the biggest provider of healthcare finance and business education and training in the UK. It offers a range of qualifications in healthcare business and finance at undergraduate and postgraduate level and can provide a route to an MBA in healthcare finance. The association is also an accredited provider of continuing professional development, delivered through a range of events, e-learning and training. In 2019 the HFMA was approved as a main training provider on the Register of Apprenticeship Training Providers and will be offering and developing a range of apprenticeships aimed at healthcare staff from 2020.
