Foreword

Over the years, the NHS has developed a vast range of acronyms (clinical and management) that are often bewildering to both practitioners and those who are new to the service. Letsie Tilley and Hampshire Partnership NHS Foundation Trust has kept track of this gradual growth in terminology and we are pleased to reproduce this document as an aid to all those who are trying to discover what a particular acronym means.

4.00		ACOCT	
A2R	Accounting to Reporting	ACOST	Advisory Committee on Science and
A4C	Agenda for Change		Technology

Did you enjoy this publication?

The Association produces a wide range of publications and training aimed at developing the skills of finance and non-finance professionals. As well as our bestselling publication Introductory Guide to NHS Finance in the UK we produce publication titles such as:

- Introductory Guide NHS Foundation Trust Finance and Governance
- Introductory Guide NHS Governance
- Patient's Monies and Belongings
- Integrated Governance a guide to risk and joining up the NHS reforms
- NHS Audit Committee Handbook
- Year End Agreements: A Guide to Good Practice in the NHS
- NHS Annual Accounts Planning

See the HFMA website for further details: www.hfma.org.uk/publications

If you want to try something more interactive whilst earning CPD hours, then why not try our NHS finance e-learning modules, so that you can:

- Improve your understanding of NHS finance
- Gain CPD hours
- Access the training from home or work
- Learn at your own pace
- Choose from a wide range of subjects including budgeting, governance, commissioning and many more.

See the HFMA website for further details: www.hfma.org.uk/e-learning
