HFMA South Central Branch Annual Conference 2019

Value • the opportunity

The main title of the slide, 'Value • the opportunity', is written in a bold, purple, sans-serif font. The word 'Value' is contained within a large, stylized circular graphic. This graphic features a light yellow-to-white gradient center, surrounded by a thick purple ring. The ring is composed of several overlapping, slightly offset segments, creating a sense of motion or a circular path. A small white dot is positioned at the junction where the purple ring meets the text 'the opportunity'.

Value • the opportunity

Value the opportunity to influence the future

Value. The opportunity.

Value the personal development opportunities

HFMA

- National Conference – 4-6 December
